USE AND CARE GUIDE

Please read and understand this entire manual before attempting to assemble or operate this product. Failure to follow may result in serious injury. Save all warnings and instructions for future reference.

SAFETY INFORMATION

1. Secure this product properly before moving it with a forklift.
2. Do not alter this product in any manner. For example, do not weld external lock bars or attach electrical equipment.
3. When locking this chest, close the drawers completely in order for the lock bars to work properly.

CAUTION: Keep the product on level surfaces. The product may become unstable and tip if stored or moved on an unlevel surface, which may cause personal injury or product damage.

CAUTION: Lock the drawers before moving this product. The drawers could come open and make the product unstable and tip, which may cause personal or product damage.

CAUTION: Do not attach or mount this product to a vehicle. This may cause personal injury or product damage. Mounting this product to any vehicle in any manner will void warranty.

CAUTION: Be careful when closing the cover. Remove hands before the cover closes completely to prevent personal injury.

CAUTION: Do not stand or step on this product. You may fall which may cause personal injury.

CAUTION: Keep children and bystanders away while loading, unloading and moving the product.

CAUTION: Be careful when opening more than one drawer. The product may become unstable and tip, which may cause personal injury or product damage.

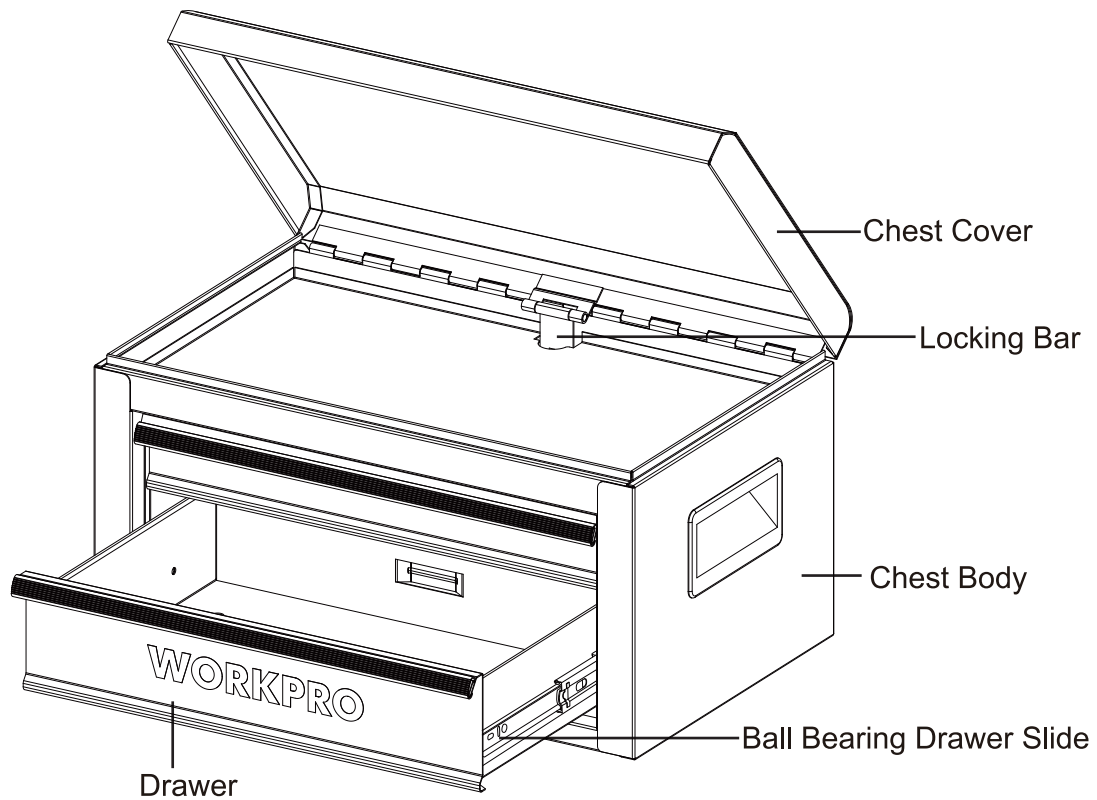

CAUTION: Do not exceed the maximum drawer weight, or total product weight, including contents. Always balance the loads to avoid tipping. Place the heavier weights on the bottom drawers when possible.

SPECIFICATIONS

Maximum top tray capacity	60 lbs.
Maximum first drawer capacity	10 lbs.
Maximum second drawer capacity	15 lbs.

PACKAGE CONTENTS

Ensure all components are present. If any components are missing, do not proceed with assembly. Please send an email to service@greatstartools.com or call 877-876-7562.

OPERATION

1. Locking and unlocking the chest cover

- To unlock the chest cover, open the chest cover.
- To lock the chest cover, close the chest cover.

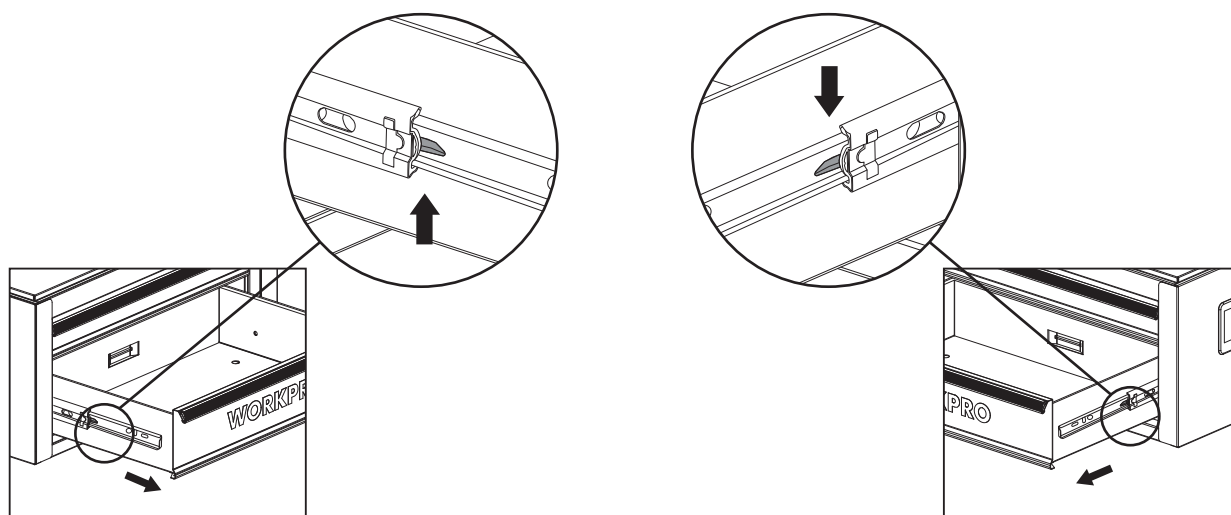

OPERATION

2. Using the drawers

- Open the chest cover as above step1, then pull out the drawers.

3. Removing the drawers

- Open the chest cover as above step1 and fully extend the empty drawer.
- Push up the one release lever while pulling down on the other release lever.
- Pull the drawer outward until it is released from the drawer slide.

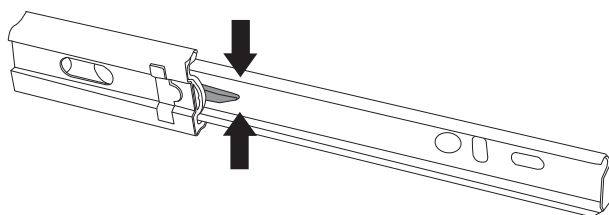

4. Re-inserting the drawers

- Extend the drawer slides.
- Insert the brackets on each side of the drawer into the slots of the slides, being careful that they are properly positioned.
- Once properly inserted, completely close the drawer to set the slides in their proper positions.

MAINTENANCE

- Lubricate the slides semi-annually.

- Periodically clean the drawer fronts, drawer trim, and other surfaces with a mild detergent and water.
- Auto wax preserves the storage unit's luster finish and protects against scratches. Apply the wax as you would on a car.
- Remove grease and oil with a standard nonflammable cleaning fluid.
